NICHOLALALA

I don't want to be here
I don't want to haunt this place

Here's your bag

Oh!

It must be the school books!

You just need to finish your school work!
Then you can move on.

I can't!!!

Maybe we can...

Oh no...
My Korean is not
good enough...

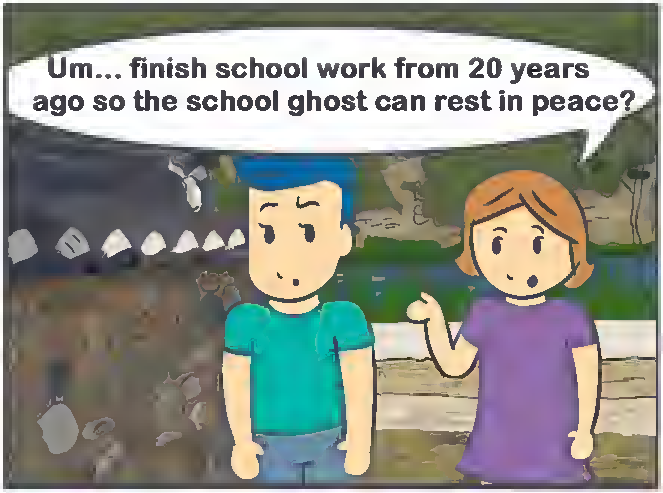
What about you?

I lived hundreds of years ago...
This writing is so different...

Oh no!

We need help!

You want me to do what?!



Um... finish school work from 20 years ago so the school ghost can rest in peace?

NOOOOOOOOOOO!!!
NOT SCHOOL WORK!!!

to be continued...
